## Report of Independent Registered Public Accounting Firm

Board of Directors and Stockholders  
One Liberty Properties, Inc.

We have audited the statement of revenues and certain expenses of 4501 Hollins Ferry Road as described in Note 1 to be acquired by OLP Baltimore LLC, a wholly owned subsidiary of One Liberty Properties, Inc. (the "Company") for the year ended December 31, 2005. The statement of revenues and certain expenses is the responsibility of the Company's management. Our responsibility is to express an opinion on this statement of revenues and certain expenses based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free of material misstatement. We were not engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the statement of revenues and certain expenses, assessing the accounting principles used and significant estimates made by management, and evaluating the overall statement of revenues and certain expenses presentation. We believe that our audit provides a reasonable basis for our opinion.

The accompanying statement of revenues and certain expenses was prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the Securities and Exchange Commission for inclusion in Form 8-K/A of One Liberty Properties, Inc. and is not intended to be a complete presentation of 4501 Hollins Ferry Road's revenues and certain expenses.

In our opinion, the statement of revenues and certain expenses referred to above presents fairly, in all material respects, the revenues and certain expenses of 4501 Hollins Ferry Road as described in Note 1 for the year ended December 31, 2005, in conformity with U.S. generally accepted accounting principles.

**Notes to Statement of Revenues and Certain Expenses**

**1. Organization and Basis of Presentation**

Presented herein is the statement of revenues and certain expenses related to the operation of 4501 Hollins Ferry Road (the "Property"), an industrial building situated on approximately 28 acres in Baltimore, Maryland. The Property has approximately 367,000 square feet of leaseable space. The Property was purchased from FR Hollins Ferry LLC (the "Seller") on December 20, 2006 by OLP Baltimore, LLC, a wholly owned subsidiary of One Liberty Properties, Inc. (the "Company").

The accompanying statement of revenues and certain expenses has been prepared in accordance with the applicable rules and regulations of the Securities and Exchange Commission for the acquisition of real estate properties. Accordingly, the statement of revenues and certain expenses exclude certain expenses that may not be comparable to those expected to be incurred in the future operations of the aforementioned property. Items excluded consist of interest, depreciation and amortization.

**2. Use of Estimates**

The preparation of the statement of revenues and certain expenses in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect the amounts reported in the statement of revenues and certain expenses and accompanying notes. Actual results could differ from those estimates.

**3. Concentration of Credit Risk**

As of June 29, 2006 the Property is leased to a single tenant, Ferguson Enterprises, Inc. ("Ferguson"). Therefore, the Property's results of operations are significantly dependent on the overall health of the Tenant.

**4. Revenue Recognition**

The leases with the tenants are accounted for as operating leases. Base rents are recognized on a straight-line basis over the lease terms. Prior to June 29, 2006, the leases required that the tenant reimburse the landlord for certain operating costs and real estate taxes. As of June 29, 2006, the new lease with Ferguson is on a triple net lease basis.

**4501 Hollins Ferry Road**  
**Notes to Statement of Revenues and Certain Expenses (Continued)**

**5. Leases**

For the year ending December 31, 2005, the Property was leased in its entirety. For the six months ending June 29, 2006, only 36% of the Property's rentable space was leased. On June 29, 2006, the Ferguson lease commenced and was set to expire March 31, 2022 with four five year options to renew. The rent will increase every five years based on the consumer price index. The Ferguson lease provided for a tenant improvement reserve in the amount of \$8,500,000. Such amount has been provided by the Seller and was in escrow at the time of purchase. Ferguson can draw on this reserve to apply towards the cost of certain tenant improvement work at portions of the property. Ferguson's base rent will increase as they draw down on the tenant improvement reserve. Ferguson will be subject to the full base rent on the sooner of completion of the improvement work or July 31, 2007. On December 20, 2006, the Seller posted a rental reserve for the Company's benefit in the amount of \$416,500. This rental reserve is available each month to insure that the Company receives the full base rent through July 31, 2007. Payments received from the rental reserve will be recorded as a reduction to building and improvements rather than rental income in accordance with Emerging Issues Task Force Issue 85-27, "Recognition of Receipts From Made-up Rental Shortfalls." Ferguson is an indirect subsidiary of Wolseley PLC (NYSE:WOS). Wolseley PLC is headquartered in the United Kingdom.

**6. Future Minimum Rents**

Ferguson's future minimum lease payments to be received as of September 30, 2006 under a noncancellable operating lease are as follows:

2006	\$ 406,728
2007	1,892,912
2008	2,298,912
2009	2,298,912
2010	2,298,912
2011	2,298,912
Thereafter	<u>23,563,848</u>
	<u>\$35,059,136</u>

**7. Interim Unaudited Financial Information**

The statement of revenues and certain expenses for the nine months ended September 30, 2006 is unaudited, however, in the opinion of management, all adjustments (consisting solely of normal, recurring adjustments) necessary for the fair presentation of the statement of revenues and certain expenses for the interim period have been included. The results of the interim period are not necessarily indicative of the results to be obtained for a full fiscal year.

### Pro Forma Consolidated Financial Statements (Unaudited)

On December 20, 2006, OLP Baltimore LLC, a wholly-owned subsidiary of One Liberty Properties, Inc. (the "Company") acquired real estate, in an arms length transaction, which is leased in its entirety by Ferguson Enterprises, Inc., (the "Tenant") a distributor of plumbing supplies, heaters and cooling equipment located in Baltimore, Maryland (the "Property"). On October 5, 2006, the Company sold one theater and the Company's two 50% owned theater joint ventures sold eight theaters to a single purchaser (also referred to as the "Nine Theaters"). On September 13, 2006, one of the Company's 50% owned theater joint ventures sold one theater located in Brooklyn, New York (also referred to as the "Brooklyn Theater").

The unaudited pro forma consolidated balance sheet of the Company as of September 30, 2006, has been prepared as if the Company's acquisition of the Property and sale of the Nine Theaters, sold on October 5, 2006, had been consummated on September 30, 2006. The unaudited pro forma consolidated income statements for the year ended December 31, 2005 and for the nine months ended September 30, 2006, are presented as if the Company's acquisition of the Property, sale of Nine Theaters and the Brooklyn Theater had occurred on January 1, 2005 and the effect was carried forward through the year ended December 31, 2005 and nine month period ended September 30, 2006.

The pro forma consolidated financial statements do not purport to represent what the Company's financial position or results of operations would have been assuming the completion of the Company's acquisition of the Property, sale of Nine Theaters and the Brooklyn Theater had occurred on January 1, 2005, nor do they purport to project the Company's financial position or results of operations at any future date or for any future period. These pro forma consolidated financial statements should be read in conjunction with (a) the Company's 2005 annual report on Form 10-K and the Company's Quarterly report on Form 10-Q for the period ended September 30, 2006, (b) the Company's Form 8-K filed on December 21, 2006 in connection with the acquisition of the Property and (c) the Company's Form 8-K's filed on October 11, 2006 in connection with the sale of the Nine Theaters and on September 14, 2006 in connection with the sale of the Brooklyn Theater.
